## Giving Back

Every year we donate time to building the Christmas Display on the Taunton Green. There are many companies that donate time to make this attraction happen for the kids. We love to be able to give back to the community!

This year's theme is *Candyland*. We built a seat covering the fountain, which eventually will be a big candy dish. We are excited to see the final product—but here are a few pictures of them in action (before paint).

## Project Spotlight

BEFORE

AFTER

This month's *Project Spotlight* is in Attleboro —we updated the siding to CertainTeed Cedar Impressions vinyl siding to this lovely home. The color they chose is Certainteed Desert Tan with white trim. Adding this vinyl siding makes this house looks new again.
